## FULBRIGHT GRANTS FOR ESRS: A LIFE CHANGER

June 4, 2024

10:00h (Portugal)

Online (Zoom)

### Summary:

The workshop aims to explore the transformative impact of the Fulbright Program on the lives of beneficiaries since 1964. This session will cover in detail the steps required to obtain a Fulbright Grant, providing valuable information on the application process, the selection criteria and the opportunities offered by the program. Participants will learn about the advantages of studying and living in the United States through a Fulbright Scholarship, including academic, professional and personal development.

### Speaker: José Inclán

Speaker invited from Universidad Complutense de Madrid.

Note: the link for the session will be send after the registration.
