

# Multiplier Event

## Equality and Inclusion in Academia

STEP is an EU-funded project  
2022–2026 funded by Horizon Europe.

One of STEP's goals is to integrate  
Equality, Diversity, and Inclusion (EDI)  
principles and values in the partners'  
Science, Technology, Engineering,  
and Mathematics disciplines

**Hybrid at Södertörn University**

**Friday 20 September**

**10.00-12.00 CET**

Funded by  
the European Union

HORIZON-WIDERA-2021-ACCESS-03-01  
Project number: 101078933

This event brings together young scientists and senior researchers engaged in implementing Equality, Diversity, and Inclusion perspectives and methods at five universities in Sweden, Italy, Spain, France, and Portugal.

The event is part of the STEP summer school hosted by Södertörn University, which addresses topics such as 'strategies for inclusion in academia', 'gender and climate change', 'challenging non-egalitarian, sexist, racist, and ableist discourses in academia', and 'gender equality in STEM research and education'.

**Please register [here](#) to receive the zoom link for the meeting, latest 19 September**

## Schedule

- Short presentations about EDI progress and challenges in academia by the different partners.
- 10h00 SH: EDI challenges in Swedish academia
- 10h10 UNIGE: Presentation of new actions on EDI
- 10h:20 UCM: Achievements of the Office for the Inclusion of People with Diversity
- 10h:30 URCA: From Integration to Inclusion
- 10h40 IPB: Fostering EDI in Research
- Panel discussion: Requirements and strategies for successful implementation of EDI at universities
