

STEM Research  
Equality, Diversity and Inclusion

# Step-by-Step PhD Day

- Pilot Event -

**December 11, 2024**  
**15h00-16h30 (CET time)**

The **Step-by-Step PhD Day** aims to promote the collaboration between the research centres and PhD programs of the STEP consortium working in STEM (Science, Technology, Engineering and Mathematics) and EDI (Equality, Diversity and Inclusion) domains.

This pilot edition includes twenty-two pitch presentations from PhD students in Digitalization, Sustainable Construction, Socio-Ecological Systems, and Sustainable Processes and Products, followed by a discussion period open to the research community.

**Registration [HERE](#).**
